Siretta
Enabling Industrial IoT

Welcome Mouser Electronics!

Siretta's sales channel is pleased to announce the appointment of Mouser Electronics as our latest global distributor.

The addition of Mouser Electronics, an authorised semiconductor and electronic component distributor, to our burgeoning global channel network will be instrumental in opening further business streams for both Mouser Electronics and Siretta. Mouser Electronics offer a range of products from multiple manufacturers and ship to over 630,000 customers in 223 countries/territories.

Siretta's portfolio of products include:

- Antennas
- Cable Assemblies & Adapters
- Modems
- Routers
- SNYPER Signal Strength Analysers

These ranges will be among the latest additions to Mouser Electronics industrial IoT products, and in all Siretta are providing more than 200 new product lines.

Head to the Mouser Electronics website today and type "Siretta" in the search bar to find out more!
