WIRELESS DAY
Le rendez-vous des experts

Wireless Day 2022

WIRELESS TECHNOLOGIES - Approach them from a new angle.

Siretta will be joining EBDS at their Wireless Day on 22nd March 2022. Wireless Day is an event co-organized by EBDS and CAP'TRONIC.

EBDS, the French leader in the wireless technology market, distributes industrial and innovative solutions. With more than 20 years of experience in wireless communication, EBDS specializes in 4G/5G, IoT, LPWAN, VHF/UHF and antenna networks.

Wireless Day, the unique event that will bring together players and professionals in the wireless technology market.

See you on 22nd March, 2022.
