Gateway Electronic Components Ltd - IoT Tech Expo London December 2022

One of our UK Distributor's Gateway Electronic Components Ltd will be attending the IoT Tech Expo in London at Olympia Park from 1st - 2nd December 2022.

The world leading IoT conference & event series will arrive at the Olympia London on the 1-2 December 2022 to host its sixth annual Global event.

The free hybrid event will bring together key industries from across the globe for two days of top-level content and thought leadership discussions across 6 co-located events covering **IoT & 5G, Cyber Security & Cloud, Blockchain, AI & Big Data, Edge Computing** and the newly added **Digital Transformation track.**

Siretta will be joining Gateway for this event and will have a wide range of IoT products on show, which will including demonstrations on both products and software. You don't want to miss out!
