Lextron - World of Technology & Science Exhibition September 2022

Our Distributor Lextron who are based in The Netherlands will be attending the World of Technology & Science Exhibition in Jaarbeursplein, Tuesday 27th of September until Friday 30th September 2022.

World of Technology & Science is the largest industrial trade fair in the Benelux. Five worlds of technology and science come together in this title: World of Automation, World of Laboratory, World of Motion & Drives, World of Electronics and World of Industrial Processing.

Lextron will have Siretta's range of Siretta Antennas including 5G, plus Industrial Modems and the SNYPER Range.

To register for your FREE pass, click here: https://www.databadge.net/wots2022/reg/?link=5b73833de683b80059f9&lan=EN

Lextron will look forward to welcoming you. You will find them in Hall 9 Stand A058.
