EBDS Wireless Day - 21st March 2023 - Lyon, France

WIRELESS DAY

Le rendez-vous des experts

Siretta will be joining EBDS at their Wireless Day on 21st March 2023. Wireless Day is an event co-organized by EBDS and Captronic. Wireless Day is a unique event that will bring together players and professionals in the wireless technology market.

EBDS, the French leader in the wireless technology market, distributes industrial and innovative solutions. With more than 20 years of experience in wireless communication, EBDS specializes in 4G/5G, IoT, LPWAN, VHF/UHF and antenna networks.

We will look forward to meeting you on 21st March 2023, talking things all IIoT!
