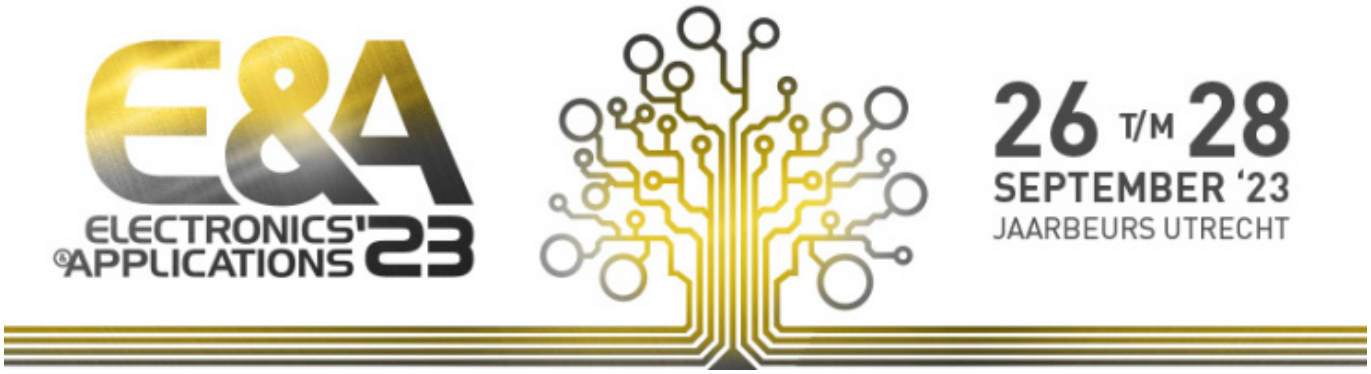
Siretta
Enabling Industrial IoT

Electronics & Applications 2023, 26th- 28th September, Utrecht.



Our Distributor Lextron B.V based in The Netherlands will be attending the **Electronics & Applications 2023** on **26th - 28th September 2023**. Siretta will be joining Lextron on stand **7D108** showcasing lots of Industrial IoT products; Modems, Routers, SNYPER and many more!

The Electronics & Applications show is the trade fair for industrial electronics in the Benelux. At this trade fair, you can meet the entire chain, from components to production and from design services to design.
