36 Holes, 20 Miles, One Cause: The Big Golf Race Completed

Team Siretta ready to take on The Big Golf Race – 36 holes, no buggies, one great cause.

36 Holes, 20 Miles, One Cause: The Big Golf Race Completed

Plenty of swings (some better than others) – but every shot helped raise awareness for prostate cancer.

On **Monday, 22nd September 2025**, four members of Team Siretta took on **Prostate Cancer UK's Big Golf Race** at **Sherfield Oaks Golf Club** — completing **36 holes of golf in a single day**, all on foot and without the help of buggies.

The challenge saw the team cover more than **20 miles**, carrying their clubs across both courses and hitting hundreds of shots along the way. There were plenty of good swings, the odd lost ball, and more than a few blisters, but together the team pushed through and completed the marathon of golf.

This effort was all in support of **Prostate Cancer UK**, a charity dedicated to funding vital research and supporting men affected by prostate cancer. With **1 in 8 men in the UK** diagnosed during their lifetime, raising awareness and funds for this cause is something we are very proud to have contributed to.

A huge thank you goes to everyone who donated and supported us — your encouragement made a real difference on the day

36 Holes, 20 Miles, One Cause: The Big Golf Race Completed

We’re proud not only of the products we deliver but also of the way our team comes together to support important causes. The Big Golf Race was tough, but worthwhile — and we’re already wondering what challenge might be next.
